G7 ENVIRONMENT - BOLOGNA Ministerial Budget Template.xlsx

**Ex. 7(c)**

Embassy/Rome has sent us budget estimates for their support minus security. Are you able to put together an inventory of what security will need for advance and mission (vehicles/local help etc) so we can get their budget estimate for fund cite?

The Embassy has also included RSO and FSNI contacts that you may have already. These can be helpful for the discussion on train vs. plane to Bologna. Jane and I are meeting with Administrator's management team on Thursday regarding the mission and it would be great if we can make a determination on that issue by then. While OITA prefers the train option, we defer to PSD of course.

Embassy/Holy See wanted me to remind PSD that no weapons are permitted in the Vatican and that we will not be able to run advance inside the Vatican buildings.

Thanks, Mark

Hello Washington friends,

1. Here is the revised budget that includes Public Affairs. They would go one day in advance before the rest of us to set things up.
2. Great news on the food event front! The Minister agreed to a Saturday afternoon food event in Bologna.
3. **Ex. 7(c)** the Foreign Service National Investigator (FSNI) in Florence, will be the FSNI lead for the Administrator's protective detail. You can communicate with RSO **Ex. 7(c)** about security, including trains.
4. Later in the week, Lee will be sending out invitation and call-in information for the scheduled calls. We've shifted the Friday April 14<sup>th</sup> call to April 13<sup>th</sup>.
